

Directions to Schonell Catering & Events Holt Function Room

Travelling by Car

The most convenient parking locations are “Pay & Display” parking, which have ticket machines that you then display on your dash. They are located behind the Schonell Theatre at the base of Building 21, or underneath the UQ Centre (27A). Both of these areas are accessible by entering the University on Sir Fred Schonell Drive, going through the first two roundabouts and turning left into Blair Drive. Union Road is on the Right, please follow this road up the hill and around to the left behind the Schonell Theatre. Access to the building is in the centre, next to the child playground.

**Parking on weekends at the University of QLD is free.*

Travelling by Bus

The closest bus stop is at the end of the Eleanor Schonell Bridge, which links the University with Dutton Park (across the river). Otherwise, the main bus stop within the University is located on Chancellors place, from there walk through the Great Court to the Union Complex.

Travelling by Ferry or City Cat

The University of Queensland City Cat stop is located across the road from the University Swimming Pool. From this stop it is just a 3 to 5 minute walk up the hill to the end of Union Road. This stop is the final one before the City Cat turns around to go back into the city.
